### GET A REVERSIBLE SINK

This piece is so genius! Holly from GBlog loves DXV's [Orchard Apron Kitchen Sink](#) not only for its durable fired clay and country heritage style, but because it's actually reversible, with a smooth front apron on one side and transitional details on the other.

### INVEST IN A POT FILLER

Balancing form and function is key: that's why you need a pot filler! Ideal for a family kitchen, the luxury time-saver puts water right where you need it for quickie pasta dinners or elaborate holiday meals. Holly of GBlog loves [this sleek design](#) from DXV's

Years of exposure to water and steam can wear down fixtures. You won't even notice what a bright, shiny difference a new set makes until they're installed. Anne from The City Sage loves the unpretentious details and understated sophistication of this polished chrome towel ring and robe hook from DXV's Randall Collection.

### IMPROVE YOUR KITCHEN SINK

The Fresno Culinary Kitchen Faucet is the kind of industrial, modern piece that lets others know that you take your space seriously. And according to Jack from Airows, a gigantic stainless steel sink does a lot for a space visually. It's the kind of small detail Joe
