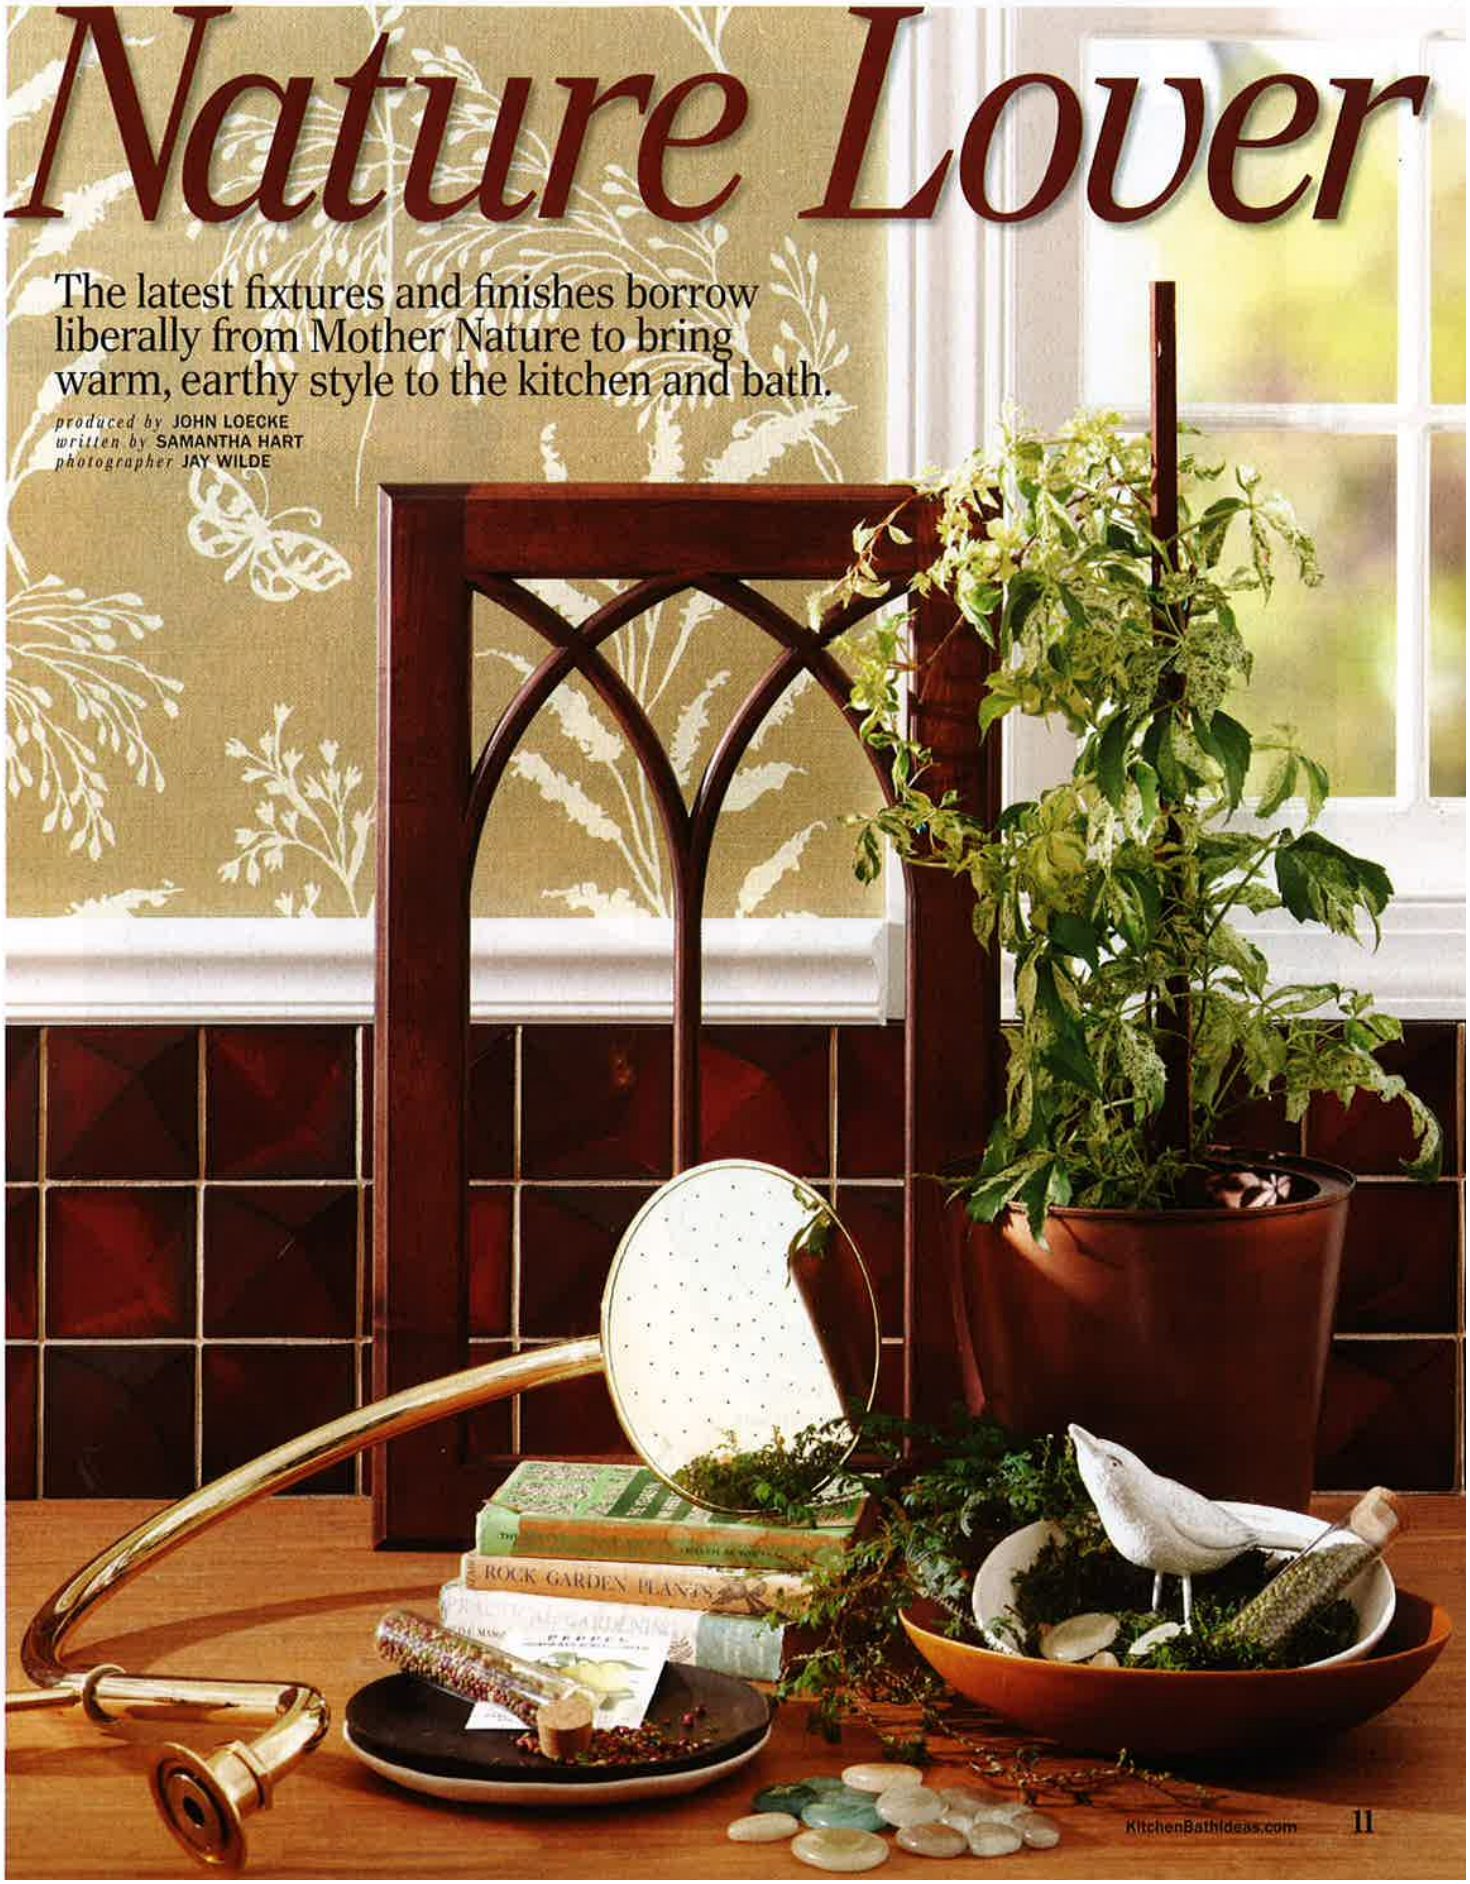
Nature Lover

The latest fixtures and finishes borrow liberally from Mother Nature to bring warm, earthy style to the kitchen and bath.

produced by JOHN LOECKE
written by SAMANTHA HART
photographer JAY WILDE



RESOURCES BEGIN ON PAGE 132.

resources

Many of the products in our featured kitchens and baths are available for purchase and are listed here.

[T] To the Trade Only These items or services are not available to the general public. Contact a design professional for help.

[P] Paint Color Because of the magazine printing process, paint colors depicted on our pages may vary slightly from manufacturers' colors. Use paint color names or numbers, when provided, as a starting point. To get the exact color you see in the magazine, take the page to a paint retailer for matching.
