1. **Christopher Peacock's** Contemporary collection has a hearth around the range in horizontal walnut planking that ties effortlessly into the island. The backsplash above the range is smoked quartz, mined in Madagascar and hand-pieced together. D&D, NYC, 888-889-8891, Greenwich, 203-862-9333, peacockhome.com. 2. This **Rose Adams** kitchen displays her latest hand-painted cabinetry finish, a blend of elegant, English-inspired styling with the modern sophistication of hardware from Belwith Products' Studio collection. Westport, 203-222-4944, roseadamshome.com. 3. Pantone's 2013 color of the year, Emerald, is now available as a **Plain & Fancy Custom Cabinetry** finish (shown here on a Lakeview style cabinet). The company can custom match enamel paint to any hue—from the gemstone of a treasured ring to the lush glow of an Irish landscape. Through NuKitchens, South Norwalk, 203-831-9000, nukitchens.com, plainfancycabinets.com. 4. **Wheelock Maidique's** modern kitchen features walnut plywood cabinetry with a solid ash frame surround. Blum Aventos lift mechanisms provide convenient access to cabinet interiors, and Caesarstone's Fair Lady wraps around the breakfast bar. Old Greenwich, 203-527-0020, wheelockmaidique.com. 5. The new +Edition collection from **Poggenpohl** combines the classic details of natural walnut wood veneer with the modern appeal of white lacquer cabinetry. A&D, NYC, 212-355-3666, poggenpohl.com.
